

Sunday Mornings:

Grace & Truth – (9:30-10:15am) The Gospel of John tells us that Jesus came full of grace and full of truth. For most of us, we tend to lean towards one over the other. Many know God from the side of truth, seeing him primarily as a judge and king and ruler. Others know God primarily through a lens of grace and mercy and kindness. When we lean too heavily on one side we miss either God's kindness or his authority and power. We can't afford to miss either.
